**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net internet service because it was the best-rated service in my area. I was fortunate enough to even have a choice this time, as I have lived in a dozen places in several states (FL, AZ, IL, MD, DC, CA, HI to name some) in the past 20 years and have NEVER had a choice of internet provider. ISPs are notorious for being bad to customers in noncompetitive ways and I'm tired of it. Please do your jobs and protect consumers from the rampant noncompetitive, monopolistic, rent-seeking practices that are used by these ISPs!
